SPECIAL MENTIONS

Demand to Reduce Excise Duty on Drugs

SHRI JAYANTILAL BAROT (Gujarat): Sir, the State of Gujarat alone has about 40 per cent of the drugs and pharmaceutical productions in the country. The industry gives employment to more than five lakhs workers through about 3000 units. The entrepreneurial skills of the Gujaratis are well known.

With the declaration of financial incentives for the States of Sikkim, J & K, Himachal Pradesh and Uttaranchal, the pharmaceutical industry in Gujarat received a set-back as the shifting of investments to these States had a severe impact. The industries, particularly the small-scale units, have further been seriously affected due to the issuance of notification dated 7.1.2005 to change the excise duty on drugs at 16% of 65% of the MRP which was subsequently reduced to 16% of 60% of MRP.

While the excise duty on almost all other industrial products has been kept at 50% of the MRP, in the case of the pharmaceutical products,
